USC VITERBI CODE.ORG X MICROSOFT TEALS

USC is collaborating with Microsoft TEALS in the 2021-22 school year to provide continuing Computer Science Principles teachers with free CS expert in-class support.

ABOUT US

Local CS expert volunteers meet with you over the summer to see where you are on your CS journey and how they can support. During the 2021-22 school year, CS experts will join your class to co-teach or support your CSP instruction, provide CS connections to industry, serve as CS mentors to students, and more.

IMPORTANT DATES

The deadline for TEALS is approaching fast! Register for and attend the TEALS Info Session on Wednesday, February 10 at 4:00 pm.

Complete the TEALS application by Friday, February 12.
