

VIRTUAL CS TRAINING FEATURING MICRO:BIT

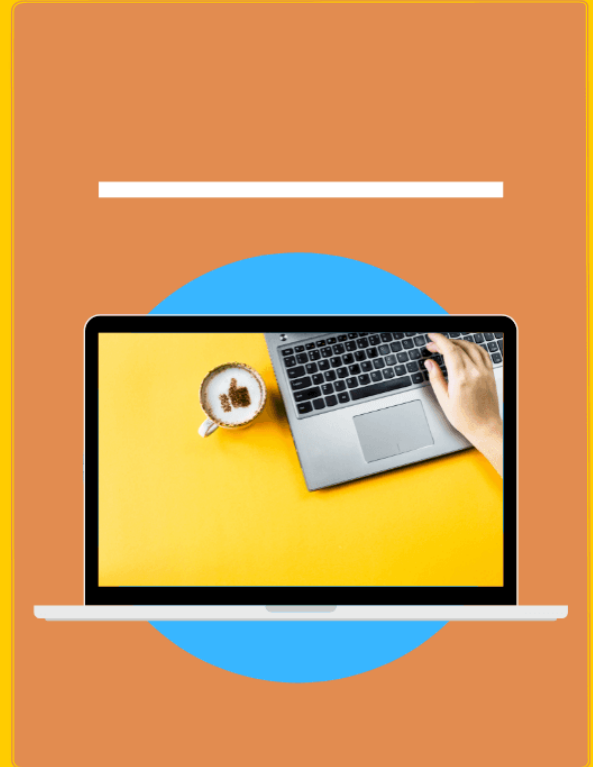

COMPUTER SCIENCE WORKSHOP

FOR MIDDLE & HIGH SCHOOL
TEACHERS

NOVEMBER 13,
2021

10 A.M. - 3 P.M.

RSVP: [HERE](#)

USC Viterbi K-12 STEM Center in partnership with **TCS** brings you *a day of Computer Science using Micro:Bit microprocessors!* Learn how to code, then **implement** these lessons into your classroom and **receive a \$500 stipend** for having fun along the way! Please note: This workshop is being offered virtually via Zoom.
